Presentation – Regulations Panel

Preston Smith introduced the topic and Rene DeMonchy made a presentation regarding governmental rules and regulations related to wastewater disposal in the Monte Rio area. An outline of the presentation is attached. Also attached are the following three documents that were handed out to the Task Group members and other meeting attendees:

1. PRMD Policy No. 9-2-12 - Policy for Remodeling and Additions with Respect to On-Site Wastewater Treatment Systems
2. PRMD Policy 9-2-15 – Policy for Reutilization of Existing On-Site Sewage Disposal System
3. AB 885 Status

Following the initial presentation, the panelists listed above provided additional information. Upon completion of the panelists' initial comments, they responded to questions from Task Group members and from members of the public. A full transcript of the presentation, questions, and discussions is available for review upon request.

Plan for next meeting and closing

Next meeting is on Monday, February 22, 2010 at 6:30 pm at Monte Rio Community Center. The presentation at that meeting will focus on the “historical perspective” and will look at what has been gathered to date.
