

Seminar Purpose

- Supply current information on pesticide application
- Promote safety for both the applicator and the public
- Promote integrated pest management and judicious use of chemical control
- Complete our understanding of use of pesticides
- Provide a forum to network, promote and present new equipment and products

7.0 Continuing Ed credits (2 laws/regs; 5 other) have been requested by the CA Dept of Pesticide Regulation for PCAs, QALs & QACs

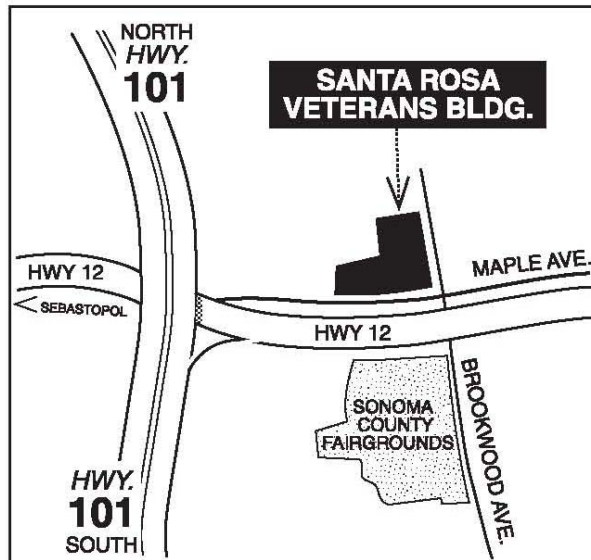

GCSAA education points have been requested and are applicable towards entry and renewal of both Class A and CGCS status

Continuing Ed credits have been requested from WCISA
