Dear Colleagues:

I am happy to submit my name for reappointment to the Measure O Oversight Committee appointee. I have been representing the Cities on the Committee since its inception in 2021.

The Oversight Committee is not a decision-making body, nor does it have authority to direct county staff. Its role is to annually review revenue and expenditures from the Measure O transaction and use tax, and report its findings to the Board of Supervisors. This important function helps ensure that Measure O's implementation matches the intent of the 68% of county voters who voted "yes." In the last few years, this has sometimes meant making it clear to county staff that accumulating fund balances is *not* in accordance with the will of the voters.

Even without decision-making authority, the Committee plays an important role in ensuring that Measure O revenue is expended in ways that benefit *all* county residents' mental health needs (including those that live in incorporated areas), again matching the intent of the original language. As the County Health Department goes through a leadership change, my history with the Committee since the beginning might prove helpful.

I am comfortable with the kind of detailed budget work that the appointment entails.

I would be happy to answer any questions or to discuss further—feel free to contact me at bford@cotaticity.org or 707-228-0685.

I appreciate your consideration.

Ben Ford

Re: Measure O Citizens Oversight Committee Letter of Interest

Dear City Selection Committee,

I am writing to respectfully request your support for the appointment to the Measure O Citizens Oversight Committee. My proactive representation makes me a strong advocate for our county. We must continue to work to ensure transparency and fiscal accountability.

Since 2020, I have been the Mayor, Vice Mayor, and Councilmember on the Rohnert Park City Council. For many years, I have served as a Director for the Sonoma County Transportation Authority/Regional Climate Protection Authority, and in 2022, I was appointed as Director for the Golden Gate Bridge, Highway & Transportation District Board. I believe the combination of my experiences will bring a unique perspective as member of the Measure O Citizens Oversight Committee.

Thank you for your consideration of my request for an appointment to the Measure O Citizens Oversight Committee. Please feel free to contact me should you have any questions at (707) 899-3087, or by email at ggiudice@rpcity.org. I appreciate your support.

Kind Regards,

Gerard Giudice

Re: Appointment to the Sonoma County Measure O Oversight Committee

To the Board,

I would appreciate your consideration for appointment to the Sonoma County Measure O Oversight

I have been a member of the Committee for the past two years and have learned so much about the Mental Health needs in the County and the ways that Measure O is addressing the needs.

I feel that my efforts and the value of the Oversight Committee are instrumental in keeping the public voice engaged with the staff and Board's work.

I have a strong interest in seeing that the Measure's funds are used wisely and being used conforming with the Measure's mission.

Thanks for considering me.

Attn: Michelle Norman and Kyreen Gonzalez

Dear Ms. Norman and Ms. Gonzalez:

Having provided representation both in the San Francisco and Sonoma County Mental Health Systems, I am excited to be applying for a Measure O Citizens Oversight Committee position.

Having been a member of the Cal Cities Community Services Policy Committee this past year and its Revenue and Taxation Committee the prior year, I am familiar with the different mental health models used up and down the state. As an alternate to our county's Homeless Coalition I am familiar with how our county continues to distribute federal dollars.

I am excited to implement the following recommendations that Santa Rosa's Captain Cregan provided for us at our last Mayor's and Council Members dinner:

- Continuing discussions on the equitable sharing of County Wide Measure O funds with local jurisdictions
- Highlighting the need for additional beds and staffing at our crisis stabilization unit to avoid visits to local emergency rooms.

- Working towards a future of creating co-responder models of trained officers paired with a licensed clinician to respond to armed or violent encounters with those experiencing a mental health crisis
- Increase mental health and de-escalation training for our officers in your local police departments.
-

I would be honored to receive your support to serve in this position.

Sincerely,

Stephen C. Zollman
